

Dear Camp Endobanah Supporters,

As the proud stewards of Camp Endobanah, we are reaching out to you as a past or current camp user with a sense of urgency and hope. Camp Endobanah has been a beacon of joy and opportunity for countless children and families for nearly a century. Founded in 1932, our Camp has served many youth groups offering outdoor adventures, waterfront activities, and a supportive community environment.

Camp Endobanah has been and continues to be maintained and operated by volunteers. All funds raised directly benefit the Camp and its facilities as we have no overhead for paid staff. The Camp is rented out to not-for-profit youth groups who could otherwise not afford the rental and use of similar facilities.

At Camp Endobanah, every child deserves to explore, learn, and grow in a safe and nurturing outdoor environment. As you know, our facilities need upgrades to continue providing this vital service to you and other users of the Camp. That's why we are launching our annual fundraising campaign and we need your help!

Our dedicated volunteers are passionate about making a difference in the lives of your children and all others using the Camp. To better secure the future welfare of the Camp, we need to undertake significant improvements to the camp's overall infrastructure.

***Here's how your support can make a difference:***

- 1. Main Lodge Upgrade:** Our current facilities are outdated and inadequate to meet the needs of today's campers. We need to modernize and upgrade the main lodge, the focal point of the camp. With the generous support of OTF we have begun working on this project by replacing our aging furnace, replacing the windows and doors, replacing toilets, and modernizing the building.
- 2. Future Projects:** We envision modernizing the electrical system, upgrades to the washroom and shower facilities, and constructing a new bunkhouse so we can accommodate more campers and serve even more children and families!

Here is an immediate way that you can help. Generous donors have committed to match donations dollar for dollar up to **\$31 250**. Your donation in any amount will have double the impact! We are seeking to raise **\$30 000** before June 01, 2024, to enable key upgrades to the lodge and staff washroom facilities to be fully realized. Furthermore, your support is tax-deductible, and we will provide you with a tax receipt for your records.

Together, we can make a difference in the lives of children and families in our community. Please consider donating to Camp Endobanah today. Your generosity will truly change lives.

Please share this letter with friends, family, workplace and elsewhere to encourage others to donate.

Thank you for being so supportive.

Sincerely,

The Volunteers, Leaders and Campers of Camp Endobanah
